

COLOUR SERVICE TERMS

Before all colour services at Tops, you will have a thorough consultation to assess your specific needs, at this point we will also assess your hair history, condition and hair type, this will allow us to work with you to make sure that you leave the salon with a colour that's suits you!

To help prevent any risk of a reaction, before your colour visit at Tops we suggest you have an allergy test at least 48 hours prior to your appointment, this can be carried out at your consultation or by any of our reception team.

Unfortunately, we will not be able to carry out any colour services on clients that have not had an allergy test and your appointment will have to be rescheduled.

Under 16's will not be permitted to have permanent colour at Tops.
