COLOUR

If have not had colour at Tops before we will need to carry out a skin allergy test prior to your next colour service. It is strongly recommended for all clients to have an allergy test.

Every colour is individual to each client. Therefore Tops offer a complimentary colour consultation. During this consultation your stylist will listen to your request and make suggestions on colour choice and colour placement that is suited exclusively to you. Based on your consultation the technician will then be able to give you a personal quotation.

Technical services do not include a professional blow-dry.

PLEASE NOTE

Our price structure reflects the educational level of our stylists which is determined by training and practical experience.

All prices are inclusive of 20% VAT. All major credit cards accepted.
